

New Year Challenge: ♥ Let's Love Lockdown ♥

Challenge yourselves, have some family fun
...and raise money for pre-school.

Make the most of Lockdown 3 and keep warm in the cold weather: choose as many challenges as you like. Suggestions of activities can be found on our Facebook page, or emailed out to those who do not use Facebook. We want to give everyone opportunities to have fun together while staying within current government restrictions.

Children at the Pre-School are challenging themselves, and their families, during Lockdown. Children are aiming to complete the challenges listed below, and families and friends can sponsor him/her.

Ask family and friends to sponsor you to complete your challenges by Sunday February 22nd, the end of half term. To help you keep track of yours sponsors we have made a handy form below. Sponsorship can be collected through our [Give as you live](#) page. Click on 'Donate now'.

We challenge ourselves to:

FOR EXAMPLE:

...count and identify birds in our garden each week

1.
2.
3.
4.
5.
6.
7.
8.
9.
